Remember When:

Toronto Maple Leafs' famous line of Primeau, Jackson and Conacher was a power in the NHL when the scoring statistics 25 years ago Thursday showed Charlie Conacher leading with 40 points. He finished the season on top with 52 points and Joe Primeau was second with 46, while Harvey Jackson was seventh with 35. But Detroit won the league title that season, and lost to Chicago Black Hawks in the Stanley Cup final.

U.S. Horse Players Bet Three Billion

LEXINGTON, Ky. (AP)—The National Association of State Racing Commissioners has revealed that $3,038,654,310 was wagered at United States race tracks during 1958.

Of that amount, states' taxes amounted to $222,049,651, the largest amount ever taken in tax since the association began record-taking, in 1934.

The report said 43,372,670 fans bet the total amount at 5,348 thoroughbred, harness, quarter-horse and county fair races during the year.

Tennis Fans Threatened

Pancho Explodes

ADELAIDE, Australia (AP)—Pro tennis king Pancho Gonzales three times threatened spectators while losing a match in the Adelaide tournament last night to Tony Trabert.

Trabert beat Gonzales, 6-3, 1-6, 11-9, while the champion was carrying on a running war with barracking fans.

One spectator in particular kept yelling at Gonzales. In the first set Pancho walked over to promoter Jack Kamer and said: "If he doesn't shut up I'll do something drastic."

Kramer approached a policeman who went to the stand where the fan was sitting.

During the second set Gonzales stopped play and called to another fan: "Come on to the court—we'll have it out."

At intermission he walked to the rear of the stands and spoke to still another spectator. But police stood guard and there was no incident.
